YAHYA LIMOUNI
WEB DEVELOPER

PROFILE

I am a 23-year-old full-stack web developer, a recent graduate with expertise in DevOps and experience in developing contemporary web applications. I integrate skills in front-end and back-end development, along with continuous integration and deployment practices, to deliver functional and efficient solutions. I am distinguished by my capacity for learning, dedication to code quality, and passion for ongoing growth in the technology sector. I seek a career opportunity where I can contribute value and further advance my skills as a programmer.
